**Jockey Colours:**
- Emerald green, beige braces, yellow sleeves, orange cap
- Dark blue, royal blue stars, dark blue and red halved sleeves, red cap
- Dark blue, green sleeves, dark green and emerald green quartered cap
- Grey, white spaullets, dark blue cap, yellow star
- Light blue, pink star, white cap
- Maroon, beige cross belts, dark blue sleeves, beige stars, dark blue cap, beige star

**Timeform says:**
- Took another step forward when seeing off the classy Ch'tibello in Aintree handicap over this trip last month. The improver in the field and wouldn't be the biggest surprise to see him figure. (Forecast 7.50)
- Good placed efforts first 4 starts this term, including in the Greatwood. A bit off his game when only sixth in the International here a fortnight ago but won't stay down for long. (Forecast 7.00)
- Successful return at Aintree and worth forgiving his poor run in the Long Distance Hurdle given he bombed out in the race last year also. Won this on his next start and could repeat the feat. (Forecast 2.62)
- Off the mark over fences at Ludlow over this trip in November. A better hurdler, successful 3 times on the Old Course here, and could be set for a big run back in this sphere. (Forecast 11.00)
- Has won 6 times over hurdles and ran a screamer on his return when second to Unowhatimeanharry in the Long Distance (3m) at Newbury. First run at Cheltenham and a player if keeping the mistakes down. (Forecast 5.00)
- Enigmatic performer who caught the eye on his return in Haydock handicap, but his jumping went to pieces in a big-field event at Ascot before Christmas. Tongue tie reached for back up in trip now. (Forecast 13.00)
