| <b>Jockey Colours:</b> EMERALD GREEN and YELLOW (quartered), WHITE sleeves, EMERALD GREEN cap<br><b>Timeform says:</b> Quickly got his act together over fences last season and progressed again to complete a four-timer in 9-runner handicap chase at Aintree in December. However, well held in a valuable race at Cheltenham on New Year's Day and, though eased 2 lb since, he remains on a stiff-looking mark. ★★☆☆☆ (Forecast 29.00)               |   |         |   |            | Notes:                           |     |

| <b>Jockey Colours:</b> Yellow, purple hoops and armbands, hooped cap<br><b>Timeform says:</b> Made it to the racecourse just twice last season, latterly running his rivals ragged in an 8-runner Ayr handicap (3m, good). Beaten fair and square in handicaps won by Kandoo Kid at Newbury and Forward Plan over this C&D last month, though, and he's likely to find a few too strong once again. ★★☆☆☆ (Forecast 17.00)                                |   |         |   |            | Notes:                           |     |

| <b>Jockey Colours:</b> Royal blue and yellow diamonds, white sleeves, royal blue stars<br><b>Timeform says:</b> Ended last season unbeaten over fences, easily winning 2½m Perth handicap on final start of that campaign. Struggled on return at Cheltenham, though, and while his subsequent fourth of 11 in the C&D handicap won by Forward Plan was more like it, he essentially looks vulnerable. ★★☆☆☆ (Forecast 41.00)                             |   |         |   |            | Notes:                           |     |

| <b>Jockey Colours:</b> Maroon<br><b>Timeform says:</b> Talented but rather frustrating type who remains a maiden following 11 starts in this sphere. However, the majority of his efforts over fences have been solid, not least when 1½ lengths second to Forward Plan over C&D last time, and should be in the mix if responding well to first-time cheekpieces. ★★☆☆☆ (Forecast 13.00)   |   |         |   |            | Notes:                           |     |

| <b>Jockey Colours:</b> Royal blue, yellow chevrons, royal blue sleeves, yellow stars, royal blue cap, yellow star<br><b>Timeform says:</b> Bumper/hurdles winner in 2021 who made it third time lucky over fences at Newbury (19.8f, good to soft) in December. Runner-up in a Grade 2 novice at the same course next time and while his mark has suffered as a result (raised 5 lb), this step up in trip is an interesting move. ★★☆☆☆ (Forecast 13.00) |   |         |   |            | Notes:                           |     |

| <b>Jockey Colours:</b> Emerald green and yellow (quartered), white sleeves and cap<br><b>Timeform says:</b> Likeable and progressive stayer who again found plenty for pressure when emerging on top in the Tommy Whittle at Haydock (25.6f, heavy). Couldn't grumble with a 4 lb rise and he appears to be versatile ground-wise, so he has plenty going for him. ★★★★★ (Forecast 9.00)  |   |         |   |            | Notes:                           |     |

Respectable third at Kempton (3m, good to soft) since and worth a second look returned to a left-handed track.</i><br>★★☆☆☆ (Forecast 29.00)  |   |         |  |             | Notes:                             |     |

| <b>TIMEFORM VIEW:</b> While several of these have appealing claims, FAMOUS BRIDGE is clearly going from strength-to-strength and he is taken to take another step up the ladder by bagging this prize. Nicky Richards' charge may have most to fear from Forward Plan, who had a handful of these rivals behind when scoring over C&D last time and he remains on a feasible mark. The hat-trick seeking Surrey Quest and Irish-raider Sweet Will both enter calculations, while Erne River is also worthy of consideration. |  |         |  |            |                                     |     |

**Jockey Colours:** Royal blue and yellow diamonds, white sleeves, royal blue stars

**Timeform says:** Ended last season unbeaten over fences, easily winning 2½m Perth handicap on final start of that campaign. Struggled on return at Cheltenham, though, and while his subsequent fourth of 11 in the C&D handicap won by Forward Plan was more like it, he essentially looks vulnerable.★★★☆☆ (Forecast 41.00)

Timeform says: Talented but rather frustrating type who remains a maiden following 11 starts in this sphere. However, the majority of his efforts over fences have been solid, not least when 1½ lengths second to Forward Plan over C&D last time, and should be in the mix if responding well to first-time cheekpieces.★★★★☆ (Forecast 13.00)
