TIMEFORM VIEW: A winner over C&D last spring, CALICO has returned in good form, runner-up at Cheltenham prior to possibly overdoing positive tactics back there 6 weeks ago. Remaining of interest from this sort of mark, this less demanding test should play to the strengths of Dan Skelton's charge and he rates a big player. Impressive Kelso winner Traprain Law rates a big danger with further progress anticipated. Nells Son and last year's winner Malystic are others worth a look.

Jockey Colours: Yellow and pink (quartered), pink sleeves, yellow diamonds, yellow cap, pink stars Timeform says: Just a modest maiden on the Flat in Ireland for Jack Davison and bettered previous hurdling efforts when second in a juvenile ove C&D last time. Faces a stiff task in this contest, though.

TIMEFORM VIEW: WODHOOH has been most impressive so far over hurdles and she's firmly expected to make it 5 from 5 in this sphere, possibly at the expense of old rival Max of Stars. Ezmerellda also needs considering on the back of an impressive success here.

TIMEFORM VIEW: Another competitive renewal of this Grade 2. I LOVE MY BAIE added to a positive profile when resuming winning ways in a small-field event at Ayr last month and, with this step up to 3m promising to suit, he earns the vote. There are plenty of dangers however, with the promising Welcom To Cartries and Kerryhill topping the list.

Jockey Colours: Yellow, purple hoops and armlets, hooped cap

Timeform says: Made it to the racecourse just twice last season, latterly running his rivals ragged in an 8-runner Ayr handicap (3m, good). Beaten fair and square in handicaps won by Kandoo Kid at Newbury and Forward Plan over this C&D last month, though, and he's likely to find a few too strong once again. ************ (Forecast 17.00)

Jockey Colours: Royal blue and yellow diamonds, white sleeves, royal blue stars

Timeform says: Ended last season unbeaten over fences, easily winning 2½m Perth handicap on final start of that campaign. Struggled on return at Cheltenham, though, and while his subsequent fourth of 11 in the C&D handicap won by Forward Plan was more like it, he essentially looks vulnerable.

Timeform says: Won 3 on the bounce over fences during 2021/22 campaign and, having missed the whole of last season, he has shown that plenty of ability remains since returning to action in October. Latest Kempton second was a solid effort and couldn't rule out with the drying ground in his favour.

Timeform says: Produced a career best in a change of headgear when 12-runner handicap chase at Leopardstown (21.3f, soft, 10/1) 29 days ago. Bit more needed here to compete from slightly out of the weights in this grade. **** (Forecast 8.50)

b g Kap Rock - Regente De L'isle

Long Handicap: Galon De Vauzelle 10 - 3

TIMEFORM VIEW: MONMIRAL maybe hasn't quite achieved as much over fences as might have been expected but this represents a significant drop in grade for Paul Nicholls' charge and he's fancied to successfully concede weight all round. Young Buster is 3-3 over fences and should pose a significant threat again, whilst Snipe has also taken well to chasing and is another player to attempt to follow up last month's Aintree success.
